

**The Cuero Pecan House has recently utilized the Small Business Loan Program to help with their expansion plans.**

Located at 104 W. South Railroad, the Cuero Pecan House is a place to keep in mind this pecan season. Owners Mary Beth Finney and Annette and Erwin Rath are expanding the Cuero Pecan House to include a commercial kitchen and packing space.

Owner Mary Beth says, “We are working on expanding our product line with great recipes and maintaining a high standard of quality control”.

The Cuero Pecan House offers a variety of tempting delights. Their products include gourmet items, jams, jellies, pralines, different varieties of candied and seasoned pecans. They also have pecan oil that can be used in place of olive oil. Of course they have pecans...whole, halved, cracked, and more!

Items come packaged individually or you can pick up one of their handy gift baskets. If the pre-wrapped gift basket is missing one of your favorite items, not to worry, they will create a gift basket just for you!

The Cuero Pecan House ships all over the country and many corporations enjoy the ease of purchasing holiday gifts for their employees and customers. At their website, [www.cueropecanhouse.com](http://www.cueropecanhouse.com), you can make your purchases online!

Remember that the agricultural pecan crop makes its debut normally the 1st or 2nd week of November. All the products found at The Cuero Pecan House are made with this year’s crop. Stop by and take a look at their progress this Holiday Season!
